Clinical Faculty/Noninvasive Cardiology-Heart Failure Specialist

School of Medicine-University of Texas Health Science Center at San Antonio.

Clinical Faculty position with some fellowship teaching responsibilities. Candidate will provide clinical care at UTHSCSA affiliated hospitals including University Hospital and the South Texas VA Hospital. Knowledge of a private practice environment desired in an effort to facilitate the integration between UTHSCSA and the private community. Prior experience in both academic and private practice preferred. Heart failure specialty training requested.

Potential candidate must have excellent communication skills. Salary is based upon academic appointment and clinical productivity. All faculty appointments are designated as security sensitive positions.

The University of Texas Health Science Center at San Antonio is an Equal Employment Opportunity/Affirmative Action Employer including protected veterans and persons with disabilities.

Interested candidates submit a letter of interest and CV to:

Steven R. Bailey, MD
