Clinical Faculty/Noninvasive Cardiology-School of Medicine-University of Texas Health Science Center at San Antonio.

Clinical Faculty position with some fellowship teaching responsibilities. Candidate will provide clinical care at UTHSCSA affiliated hospitals including University Hospital and the South Texas VA Hospital. The successful candidate will also support a University Affiliated Private Hospital close to the main medical school campus. Must have excellent knowledge of private practice environment to facilitate the integration between UTHSCSA and the private community. Prior experience in both academic and private practice desired. Nuclear and/or CTA certification are requested.

Potential candidate must have excellent communication skills. Salary is based upon academic appointment and clinical productivity. All faculty appointments are designated as security sensitive positions. The University of Texas Health Science at San Antonio is an Equal Employment Opportunity/Affirmative Action Employer including protected veterans and persons with disabilities.
