Clinician-Investigator Health Service Researcher positions

The Division of General and Hospital Medicine in the Department of Medicine/School of Medicine at the University of Texas Health Science Center at San Antonio (UTHSCSA) is recruiting Clinician-scientists for health services researcher positions. These positions involve joining our current health services research group at either the Associate or Full Professor level contingent on experience. Faculty would be involved in submitting grants, conducting research projects, collaborating with clinician-educator faculty, and mentoring junior research faculty. Clinical work at either University Health System or the South Texas Veterans’ Health Care System would also be involved. Faculty would also participate in medical student and resident education. Candidates must be board certified in Internal Medicine, and eligible for licensure by the Texas State Board of Medical Examiners, for certification by the Federal Drug Enforcement Administration, and for credentials with UT Medicine San Antonio and University Hospital.

UTHSCSA offers excellent benefits and competitive salaries. The San Antonio area provides an outstanding quality of life. Interested individuals should send a cover letter, CV and the names of three references in hard copy to Dr. Luci K. Leykum, Chief, Division of Hospital Medicine, Department of Medicine, University of Texas Health Science Center at San Antonio, 7703 Floyd Curl Drive, MC 7982, San Antonio, TX 78229-3900, or electronically to Leykum@uthscsa.edu.

All faculty appointments are designated as security sensitive positions. UTHSCSA is an Equal Employment Opportunity/Affirmative Action Employer including protected veterans and qualified persons with disabilities.
