Division of Nephrology

NEPHROLOGY FACULTY VACANCY

The Division of Nephrology, Department of Medicine, School of Medicine has an opening for a full-time academic nephrologist at the Clinical Assistant or Associate Professor level at the University of Texas Health Science Center at San Antonio. We are seeking an individual with exceptional clinical skills in academic Nephrology. Previous experience as a Medical Director is a definite plus. Duties will be tailored to the individual’s interest and qualifications and will include attending on several dialysis and nephrology consult services, teaching medical students, house staff and fellows. The Division of Nephrology has active clinical research programs and there are excellent opportunities for the candidate to develop their own program and/or participate in these programs.

Applicants for the position must possess or be able to obtain a Texas Medical License, be board certified in Internal Medicine and board certified or eligible in Nephrology. The rank and salary will be dependent on the individual’s qualifications. Interested individuals should remit a letter of interest and curriculum vitae to:

Claudia Hura, M.D.
Interim Chief, Division of Nephrology
University of Texas Health Science Center
7703 Floyd Curl Drive, MC 7882
San Antonio, TX  78229
(210) 567-4700

Applications may also be sent electronically to rodriguezs5@uthscsa.edu. Please reference GAHO-M1514-2671 when transmitting your application.

All faculty appointments are designated as security sensitive positions. The University of Texas Health Science Center at San Antonio is an Equal Employment Opportunity/Affirmative Action Employer including protected veterans and persons with disabilities.
