University of Texas Health Science Center at San Antonio
Internal Medicine Residency Program
Doctors Hospital at Renaissance, Edinburg, Texas

The University of Texas Health Science Center at San Antonio is recruiting a BC/BE General Internist or a subspecialist to serve as a core faculty member in the Internal Medicine Residency Program of Doctors Hospital at Renaissance, Edinburg, Texas. This residency program will become one of the major graduate medical training programs of the future University of Texas Rio Grande Valley School of Medicine. Responsibilities include supervision and teaching of medical residents and/or students in inpatient and outpatient settings and practicing general internal medicine or a related subspecialty in a faculty private practice. Academic rank and compensation will be commensurate with qualifications and experience.

Interested individuals should submit a letter of interest and a current CV to Koko Aung, MD, Chief, Division of General Medicine, 7703 Floyd Curl Drive MC 7879, UTHSCSA, San Antonio, TX 78229-3900 or email to aung@uthscsa.edu.

The University of Texas Health Science Center at San Antonio is an Equal Employment Opportunity/Affirmative Action Employer including protected veterans and persons with disabilities. All faculty appointments are designated as security sensitive positions.
